

# Uber Eats Referral Program for Sysco Customers

**Uber Eats is a food delivery network that connects your restaurant with more customers.**

## Reliable delivery at Uber speed

Speed is the biggest variable in customer satisfaction for food delivery—customers say the optimal wait time is under 1 hour.<sup>1</sup> We do it in 37 minutes.<sup>2</sup>

## Uber Marketing to reach more customers

Tap into existing Uber and Uber Eats audiences and benefit from our active efforts to attract new customers by way of digital, out-of-home, and promotional advertising.

## Uber Technology tailored to your restaurant

Grow your business with cutting-edge tools that are specifically designed to help you manage orders, get private customer feedback to improve your menu, and more.
