Shop Small Henderson 2021 is only a few short months away! Our goal for 2021 is to have every Water Street District business participate and activate their storefront on Saturday, November 27. This event brings awareness and attention to your business, and attracts new customers who may have not have previously known you were here. We encourage all businesses to setup a table and decorate their storefront on Small Business Saturday—bring your business out to the street! Additional information to follow in upcoming months. Visit www.wsdba.org/ for the latest updates and follow the WSDBA on Facebook at @HendersonWSDBA and Instagram at @hendersonwsdba.
